# About Us

AVORIO ENTERPRISES aims to be one of the leading Freight Forwarding and Trading companies based in the United Arab Emirates.

With a strong background and many years of experience of our Leadership in Global Procurement, International Supply Chain Management, Logistics and Sales, we strive to establishing a strategic, strong, and long-lasting business relationship with countries on the African continent, especially Western Africa, such as Ivory Coast, Senegal, Ghana, Mali, to name only few.

The past decade has seen a significant increase of shipments of goods, food, and non-food products alike, from U.A.E. and other countries to various destinations in Africa, promoting the continent as a prime export destination and massive source for importation of trading commodities.

# Mission

Strengthened by our responsiveness, our creativity, and our adaptability to the markets, we are committed to exceeding the expectations of our customers by providing them with the highest quality of products and services.

We are also committed to a transparent business relationship with our esteemed suppliers and service providers and partners for a mutually profitable cooperation, as we inspire changes in our communities.

# Vision

Our Vision is to perform outstanding freight forwarding services, to consistently promote and develop trades between the Middle East and Africa and provide unforgettable travel experiences to tourists traveling to the UAE, as we aspire to be one of the leading companies in these fields in the UAE.

# Value

AVORIO ENTERPRISES is driven by a strong set of core values that serve as the foundation in everything that we do. Our collaborative, innovative, responsive and teamwork approach in complete transparency with our clients, our suppliers and our people set us apart.

Governed by business ethics, we nurture a role, constructive and inclusive culture, whereby, every employee and stakeholder understands and fulfills each role with the highest level of dedication and integrity in the company.

We encourage effective communication among employees, between employees and customers and suppliers for continuously improving cooperation and total quality management, which is fundamental in achieving the company's goals.
